FLOOR DEBATE

May 30, 2001

PRESIDENT MAURSTAD: Senator Bromm, recognized to open.

SENATOR BROMM: Thank you very much, Mr. Lieutenant Governor. The Transportation Telecommunications Committee had public hearings on the proposed appointment of three individuals to the Motor Vehicle Industry Licensing Board: Stephan Budke, who has been on the board previously; James Campbell, also having been on the board; and an appointee who would be new to the board, although many years ago, under a different administration, he had been on the board for a short period of time, and that's P.J. Morgan from Omaha. So Stephan Budke from North Platte, James Campbell from Lincoln, and P.J. Morgan from Omaha. We did have the hearings, as I indicated. There were no opponents of these appointments, and the committee did move to recommend their confirmation unanimously. And so I recommend those names to the Legislature. If there are particular questions, I would be glad to try to answer them.
